Second Sunday of Lent (B)

Genesis 22:1-2, 9a, 10-13, 15-18 / Romans 8:31b-34 /
Mark 9:2-10

FR. JOSEPH JUKNIALIS

I've never met anyone who thought today's story in Genesis of Abraham and Isaac to be a good story. Abhorred, they ask, "Why would God test someone by asking him to sacrifice his son?" But what if we change the question and ask, "Why would the Hebrew people include that story in their most holy writings? Why would they tell it over and over?" Because of the ending—that's why. Like a movie we watch over and over even though we know how it ends, we watch it, in part, because the ending is satisfying.

The ending of the Abraham/Isaac story shows God is not interested in death and human sacrifice, contrary to the gods of that time. The God of the Hebrews is a God of Life—that's the surprise ending they love, and they keep telling it over and over lest they forget. For them, the part about the testing is simply a means to that unbelievable ending when God insists upon life, contrary to false gods.

In his poem "Try to Praise the Mutilated World," Adam Zagajewski writes of life's Godly moments in a world we have mutilated by violence, greed, division, and more. He muses on tender moments when we fall in love, on laughter until our sides hurt, on nature's dazzle, on the sweet taste of wine—all simple moments of a life-giving God transfigured in a mutilated world, for our God insists upon life. ●

A Note from Fr. Jerry:

It is hard to imagine, but the Lenten season is now upon us! I want to take a moment as we begin the discipline of Lent to thank our Pastoral Staff, our wonderful volunteers and all of you, our loving and faithful parishioners, for your support and prayers.

While our Pastor is away, we are all working very hard to make sure that we are doing our best to serve the needs of our people. We thank you for your patience and understanding and as you can imagine it is sometimes difficult to meet all of those needs. I'm sure you can see our staff and volunteers have joined together and are working harder than ever before, sometimes for many extra hours, to achieve our goals for Good Shepherd. I know we can count on your continued prayers and support!

Parishioners have been asking for clarification on ABSTINENCE AND FASTING for the Lenten Season. The following comes from the notes given each year to our parishes from our Bishop:

"All Catholics who have reached their fourteenth year are bound to abstain entirely from meat on Ash Wednesday and all the Fridays of Lent. All Catholics between the ages of 18 and 59 inclusive are bound to observe the laws of fast on Ash Wednesday and Good Friday. Fasting means limiting oneself to a single full meal and avoiding food between meals. Two other light meals, which together do not equal a full meal, may be taken during the day. Those whose work or health would be impaired are excused from fast and abstinence. Individual conscience should decide proper cause for excuse. A more serious reason is required to excuse oneself from Ash Wednesday and Good Friday abstinence."

Remember that in addition to fasting from food, we may want to fast from other things like gossip, abusing food or drink, pulling back from our electronics, making harsh judgements against our neighbor or withholding forgiveness.

We are also challenged to GIVE even more generously to our brother and sisters and share our resources with those truly in need. We can give more than just our finances. Our time is our most precious commodity. Perhaps we can forgo some of our personal time to give time to those who really could use our help!

Lastly, we are called to deepen our PRAYER this Lent. Try a different way of praying, maybe a different time or take on some spiritual reading that you have been putting off. (the stack of books I want to read on my desk is so high they fell over and shook the floor!) As we pray, could I suggest we top our list praying for our beautiful Country, our Church throughout the world, our special little "church in the woods" of Good Shepherd, and please God... for peace.

With my prayers for a blessed Lent,

Fr. Jerry

Lent 2024

*...We need our prayer to rise with greater insistence to the Father,
So that He may hear the voice of those who turn to Him
on the confidence of being answered... Pope Francis*

Dear Sisters and Brothers,

On Sunday, January 21 of this year, Pope Francis inaugurated a Year of Prayer ahead of the 2025 Jubilee Year. The Holy Father is calling on the faithful “to pray more fervently to prepare ourselves to live properly this grace-filled event and to experience the power of hope in God.” This Year of Prayer, the Holy Father explained, is dedicated “to rediscovering the great value and absolute need for prayer, prayer in personal life, in the life of the Church, prayer in the world.”

In response to the Holy Father’s initiative, together with Bishop Barres, all the Bishops and I would like to encourage you, especially during this 2024 Season of Lent in particular, to focus on prayer. Traditionally, during this time all Christians are called to practice fasting, prayer, repentance, and almsgiving as a way of drawing us closer to God and reflecting on the meaning of Jesus’ death and resurrection in anticipation of the gift of new life at Easter. All pillars of Lent complement and support each other. Customarily, fasting is a way of disciplining ourselves and expressing our repentance for our sins. By abstaining from certain foods or activities, we show our love for God and our gratitude for His mercy. Fasting also helps us to empathize with those who are less fortunate and to share our resources with them. In fact, prayer binds all these Lenten practices all together, giving them an extra strength and direction. In days to come, as we prepare for the celebration of Easter, let us take this great opportunity to renew ourselves in the life of prayer, making it not just a duty or an obligation but also as a privilege and a joy.

Prayer is a gift from God, connecting us with Him and allowing us to experience His love in our lives. It is a ground for an authentic encounter which God uses to transform us and to make us more like Christ to one another. It is also a power that God grants us to overcome sin and evil and to advance His cause in the world, especially very much needed peace as we reflect these days on the situations in Ukraine, the Holy Land, Syria, Congo, and many other troubled places.

Personal Prayer. A classic description says that prayer is “the raising of our mind and heart to God.” We all might have our own experiences of prayer, and we can define prayer in our own and unique ways. However, most important is the fact that during sacred time of the year each of us should make the best effort to make a time for prayer, short or longer, in our daily lives. There are many ways in which we can engage with it during Lent. Many people might continue to follow a lectionary and other materials that provide Scripture readings and reflections for each day of Lent and be led by it to prayer. It is possible use prayer books, journals, apps, or online resources that offer different forms of prayer, such as meditation, contemplation, praise, worship, adoration, thanksgiving, and supplication. In some

places there are groups of friends, or parishioners, who join prayer meetings, retreats, or online communities that share prayer requests and support each other in prayer. Most people create a prayer space in their home or workplace that helps them to focus on God. We should all look for an opportunity to pray without distractions and practice silence or solitude as a way of listening to God and being attentive to His presence. Whatever method or style of prayer we choose, the important thing is to pray with sincerity of heart, humility, honesty, and openness. During Lent, we should pray especially for the grace of conversion, so we can be inspired to experience the need of repentance and change and be led to encounter Jesus in the Sacrament of Penance. May we all grow in a deep desire to know the Lord more intimately and to love him more fully with the hunger for his grace and a thirst for his Spirit.

Communal Prayer. Time spent in prayer is never only personal. We all know that every individual action of one person has an impact on the whole community. Together in prayer, as we walk a synodal way, we grow in a deep sense of awareness that every act of love or time of common worship can profoundly strengthen and sanctify the whole Christian community and the whole human family. We are all connected in a special way as members of the Body of Christ, and we share the same mission and vision by celebrating of the Eucharist. This is the most profound and ultimate way of prayer. At each Mass we engage personally with the Paschal Mystery of the Lord and make it our own to be led by him, through the sacrifice of the cross to the glory of his Resurrection and our life in Him. The mystery of the Cross and the mystery of love Jesus shares with us can be understood in a deeper sense through prayer. Renewing our commitment to attend the Mass every Sunday would be the best step to renew ourselves in the life of prayer.

Prayers for the World. Both the celebration of the Eucharist and our personal daily prayer nourishes our faith, strengthens our hope, and increases our charity towards others. During Lent and beyond we are called to share our gifts and resources with the world around us, especially with those who are in need. We are to take care of the poor, the oppressed and the marginalized, and are to join them in their struggle for justice and dignity in the best way we can. Every good deed is always inspired and properly executed with the assistance of our continuing prayers, making us God's instruments of peace, justice, and mercy, which is so much needed in the world today.

Dear Friends, prayer is basically a conversation with God who is waiting for us. It doesn't have to be made up of loads of words as it is all about the conversion of heart. It's not just "saying prayers", it is more about living by them, letting our heart declare our love for God and others. Let this Lent be for all of us a sacred time of our spiritual renewal in prayer so we can all become who we are supposed to be in relationship with God and with each other. Our life prayer is a statement about who we are. The future of the world depends on our prayers and begins in us. Even though our prayers do not give any extra reverence to God, they certainly make us more revered before Him so we walk "humbly with the Lord."

Have a blessed and grace filled Lent,

Bishop Andrzej Zglejszewski
Episcopal Vicar

**HIS WORDS.
YOUR JOURNEY.
TOGETHER.**

**Pope Francis has defended his controversial decision
to let priests bless same-sex couples**

The Vatican's declaration restated traditional church teachings that marriage is a lifelong union between a man and woman. But it allowed priests to offer spontaneous non-liturgical blessings to same-sex couples seeking God's grace in their lives, provided such blessings aren't confused with the rites and rituals of a wedding.

Pope Francis acknowledged, in his first comments since the uproar, the “resistance” the decision has generated. He said “Sometimes decisions are not accepted, but in most cases, when you don't accept a decision, it's because you don't understand” The danger, he said, is when people don't understand and refuse to enter into a “brotherly discussion” and instead harden their hearts, resist and “make ugly conclusions.”

Pope Francis said “The Lord blesses everyone.”

***How open am I to “brotherly discussions” that make me
uncomfortable or challenge previously held opinions?***
