Good News!
August 19, 2018
Twentieth Sunday in Ordinary Time
Prv 9:1-6; Eph 5:15-20; Jn 6:51-58

The pursuit of wisdom and knowledge has long been a supreme striving of the human heart. Especially as we age, we hunger to truly understand reality, the human heart, modern culture, its problems and solutions.

The Old Testament offers amazing tips on the pursuit of wisdom. Using the analogy of a woman who prepares a meal and invites others to dine at her table, wisdom is a gift prepared by God and set before humanity to receive. We don’t produce the truth. We discover and embrace it. We chew on it, take it in like food, and gain strength from it.

The Jews had a hard time swallowing Jesus’ truth about the Eucharist. They argued among themselves, trying to figure out this truth instead of simply accepting this revelation as coming from one they could trust—then once accepted, strive to understand the mystery. Once we accept the world, situations, and revelations offered to us, and strive to understand these gifts, then wisdom can become ours.

Some fundamental attitudes accompany this changed perspective: First, it is right to humbly accept the world, people, and situations as gifts to appreciate rather than problems to be solved. Second, believe God has wisdom to share. Third, build upon truths already known and revealed, accepting that we can’t “know it all.”

God’s hand fashions creation, holds it in his palm, and then offers it to us. We accept it as a gift, embrace it, and discover the wisdom of the hand of God hidden therein.

—Fr. Mark Haydu, LC
